

DOORWAY FOAMER

Give your cross-contamination prevention program the advantage of foaming action.

FEATURES

- > Turns anti-bacterial chemicals into rich, thick foam that clings to boots and wheels and penetrates cracks and crevices
- > Manual override switch for easy adjustment of foam presence
- > Adjustable foam and delay cycles activated by a recycle (repeating) timer for steady, reliable performance
- > Dual chemical pick-ups for adding foaming agents to non-foaming sanitizing agents (e.g., PAA)
